### WHO WE ARE

Environment Victoria (EV) is building a movement of people across Victoria to create a just society living in harmony with a healthy environment. We are one of Australia's leading not-for-profit environment groups, with a history of running strategic, people-powered, campaigns that win just solutions to the biggest environmental problems of the day.

Our team of around 29 staff and hundreds of volunteers is nimble, creative and fun. We strive for justice, equity, diversity and inclusion in our work and are committed to building, and supporting, a team that mirrors the rich diversity of the Victorian community in which we work.

### WHO YOU ARE

You are an experienced climate strategist and campaigner. You think deeply about how to effect systemic change, care deeply about justice and are motivated to lead communities in solving the climate crisis.

You love empowering people and persuading them to do extraordinary things. You have helped build and lead formidable teams.

You may be stronger in some elements of campaigning than others, but your biggest strengths are building on the expertise of your team and integrating tools, tactics and approaches into a cohesive, winning strategy.

You can manage a complex program and delegate effectively but you love getting your hands on the tools and working as a member of a team.

## **CLIMATE CAMPAIGN MANAGER**

### **Position Description**

#### **THE ROLE**

EV's climate campaign aims to rapidly decarbonise Victoria's economy, make Victoria a leader in combatting the climate crisis and ensure a just transition to a sustainable Victorian society and economy. Reporting to the Campaigns Director, the Climate Campaign Manager leads the strategy and manages implementation of this campaign, including acting as a key public spokesperson.

As Climate Campaign Manager you will be responsible for leading and managing the delivery of the Climate Campaign by a cross-organisational team of staff and volunteers. You will need to develop and bed down collaborative systems and practices whilst ensuring continuity with what is already a strong culture and winning approach.

#### **ACTIVITIES**

- Analyse Victoria's political economy to identify threats, opportunities and strategies to achieve the goals of EV's climate campaign
- Lead collaborative processes with EV staff, board, volunteers and allies to co-create strategy and build internal alignment
- Articulate the strategy and tactical plans of EV's climate campaign to key stakeholders including board, funders, staff, volunteers and allies. This includes preparing written plans and proposals, delivering presentations and one-to-one conversations
- Manage the budget for EV's climate campaign
- Work with EV's senior management team to ensure alignment, integration and delivery of plans across campaigns and core organisational functions (advocacy, communications, organising and fundraising).
- Build and coordinate the cross-organisational climate team, ensuring an effective team culture and clear decision-making, delegation and accountability for delivery of the climate campaign strategy
- Monitor, evaluate and report on EV's climate campaign to key stakeholders including board, funders, staff, volunteers and allies.
- Act as a key public spokesperson for EV's climate campaign including to media, policy-makers and key stakeholders.
- Take on whatever tasks are required to deliver a diverse array of campaign tactics
- Drive continual innovation in EV's campaign capabilities including the areas of strategy, analysis and tactics
- Recruit and supervise staff, volunteers and consultancies as required
- Contribute to maintaining EV's compliance and risk management systems as delegated from time-to-time
