

Hi, I'm [X] from EV, an environmental charity. Don't worry I'm not selling anything.

Do you have a few minutes to chat about **our state's energy needs and how that impacts all of our futures??**

1. How concerned are you about climate change and its impact?

Not concerned **1 2 3 4 5** Highly concerned

2.1 Do you agree that all Victorian homes and buildings should be supported to electrify and phase out gas use?

Strongly Disagree – Disagree – Neutral – Agree – Strongly Agree

2.2 Why did you choose that option?

3. The Victorian government has a plan for all homes, businesses and government buildings to be all-electric, zero gas. Have you heard of any of these policies?

(YES/NO)

From 2027

- No gas connections for new buildings
- New hot water system must be electric
- Minimum rental standards raised

(Electric heating, hot water and ceiling insulation)

The Victorian government is promoting electrification for a range of reasons. Local shortages and rising gas prices are two major reasons behind the government's support for electrification.

4.1 Why should we embrace the shift away from gas to modern electric appliances? Which ones make sense to you? (Tick all that apply)

- ☐ 1. All electric homes lower your energy bills
- ☐ 2. Gas industries make big profits while households suffer.
- ☐ 3. Burning gas is heating our planet
- ☐ 4. Using gas indoors is bad for your health
- ☐ 5. It saves gas for industries that can't switch to electricity easily
- ☐ 6. Drilling for gas is destructive for the local environment
- ☐ 7. None of these

4.2 Which one is the most important to you? (Pick only one)

The most important one is: _____

5. What support would you need to electrify your home?

- ☐ Financial support
- ☐ Trusted personalised energy advice
- ☐ Reliable/up to date general information
- ☐ Trusted tradespeople
- ☐ Other _____

If they've already done it: **what support made it possible? What convinced you?**

6.1 Do you rent, own your own home, live in social housing, or something else?

- ☐ Renter (Any)
- ☐ Owner of apartment
- ☐ Owner of house ☐ Owner of townhouse
- ☐ Resident of social housing
- ☐ Other _____

6.2 Do you speak a language other than English at home? If yes, what language?

I'm hearing that you care about these issues. I heard you say...

7. How supportive are you of electrifying all Victorian homes and buildings, with adequate support to do so?

Strongly disagree – Disagree – Neutral – Agree – Strongly agree
